Its state of preservation is such as to warrant a hope that it may be found possible to remove it to the museum.

A French paper says that the Bank of France owns a note which is a " perfect brick;" at least they thought so when they paid 1,000 france for t. It was taken from the roles of a fire, and the figures of a bank note for 1,000 france had been transferred to the brick and burned in; therefore the bank redeemed the brick as though it were the

STARFING INK .- An excellent stamping ink that dries rapidly and is free from grease may be cheaply prepared, according to Muller, by dissolving one part of crystallized, so ealled, red aniline violet in thirty parts of alcohol, and adding thirty parts of glycerine to the solution. This colored liquid is poured upon the cushion and rubbed with a bruth.

HISTORY OF THE DOMETIC FOWL .- Among the conelusions, in a contribution to the history of the domestic fowl by Jeitteles, it is stated, that some species of the genus gallus existed in Europe in the tertiary period, although none are found wild there at present; and also, that two varieties of a species very near to, if not identical with the Bankica or domestic fowl, existed in Western Europe in the older posttertiary, contemporaneously with the man of that

Telegroph of June 30 says :- A heavy penalty was eday inflicted on a tobacconist for Sunday tradng, by the District Bench. The defendant was C. J. ONAMA. September 5 .- A very heavy rain has prevailed for the past week in Western Iowa causing cousiderable damage to the railroads by high water. The small streams are overflowing. The Northwest ern road is suffering serious delay and damage by a bridge giving way near New Jefferson on Friday afternoon, since which time no through trains have arrived here or left over that route. Repairs to the break are much retarded by the continued high water. The Rock Island road was also washed out yesterday afternoon at Coon River, ten miles west of Des Moines, Iowa, and the water is likewise so high as to prevent repairs of the track. The Rock Island road being the through mail route, no smalls have been received between here and Chicago since Friday. Both roads hope to be able to at least transfer passengers around the breaks to-morrow. An arrangement will be made we street ship foll rigged. DR. J. COLLIS BROWNE'S

CHLORODYNE IS THE ORIGINAL AND ONLY GENUINE. THE PUBLIC ARE CAUTIONED AGAINST The unfounded statements frequently made, "that the composition of Caronavas is known to Chem-ists and the Medical profession." The fact is, Chi-rodyne was discovered and invented by Dr. J. COL-LIS BROWNE (ex Army Medical Staff), and so named by him, and it has baffled all attempts at anal-ysis by the first Chemists of the day. The method and secret of the preparation have never been published. It is obvious, therefore, that anything sold under the name, save Dr. J. COLLIS BROWNE'S

CHLORODYNE, is a spurious imitation.
CAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. Collis Browne was undoubtedly the inventor of Chlorodyne. REMEDIAL USES AND ACTION. REMECIAL USES AND ACTION.

This invaluable remedy produces quiet, refreshing sleep'elieves pair, calms the system, restores the deranged funcions, and etimulates lessified parties of the secretical of the cody, without creating any of those unpleasant results atending the use of opium. Old and young may take it at all pours and times when requisite. Thousands of persons resily to its marvellone good effects and wonderful cures, while nodical men extol its virtues meat extensively, using it in reat quantities in the following diseases:—Cholera, Dysenery, Biarrhoa, Colleg, Coughe, Ashma, Bheumatiam, Neu algis, Whooping Cough, Cramp Bysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS. The Right Hon. Earl Russell communicated to the College of Physicians, and J. T. Davenport, that he had received information to the effect that the OAL remedy of any service in Choirar was CHLOROVINE.—See Lance Dec. 33, 184.
